

Senior Tax Accountant

We're growing again and looking for an additional Senior Tax Accountant to join our team!

Who we are:

At Account Sense, our mission is to advise, educate and inspire families and businesses to realize their vision of success. We LOVE what we do! We take pride in serving our clients and we do so by following our core values: Integrity, Teamwork, Humility, Passion and Growth. All team members at Account Sense take these principles to heart and live them daily.

Who you are:

The ideal candidate is a team player and a lifelong learner, someone with high integrity who is committed to bettering themselves both professionally and personally. A strong communicator, you have the desire to serve businesses across a range of industries - cultivating relationships and working directly with owners. Not afraid to ask questions, you are driven to understand the 'why' and not just the 'how'. A natural problem solver, you are keen to expand and share your knowledge and appreciate being pushed out of your comfort zone to confront more complex tax situations and challenges.

Additionally, you should have:

- A Bachelor's Degree in Accounting or Finance (required)
- An active CPA or EA license (required)
- A minimum of 3 years of public accounting experience
- Excellent verbal and written communication skills
- Strong work ethic and professionalism
- Technologically savvy and adaptable with computers and software programs – experience with CCH is a plus
- Knowledge in QuickBooks (online and desktop) is a plus

What you'll do:

A senior tax accountant at Account Sense is responsible for review of federal and state tax returns for individuals, corporations, partnerships and non-profit entities. You will also prepare complex returns of various types to continue to challenge and grow your skills. You will be the first resource for staff tax accountants when they have technical and/or software related questions and you will assist with the development of in-house tax trainings to contribute to the overall professional growth of the team. You will analyze and research tax concepts and identify tax strategies and opportunities applicable to the client situation.

There are also opportunities to work on tax planning and special projects, as well as to work with our bookkeeping department.

What we provide:

Diverse learning and growth opportunities within a family-oriented and supportive culture, as well as:

- Competitive compensation and a full benefits package
- Work/life balance – tax season hours significantly less than the what the big firms require
- Flexible summer schedule - so you can spend time with family and friends
- Progressive technologies that help you work smarter, not harder
