

## Staff Tax Accountant

### Who we are:

Account Sense PLLC is a fun and dedicated team located in Tri-Cities, WA. Our firm's mission is to advise, educate and inspire families and businesses. We LOVE what we do, and we think you should too! Members of our team love to learn and are passionate about helping businesses grow every day. We embrace change and are on the leading edge of technology in the accounting world.

### Who you are:

An ideal candidate for this position is someone that is excited about the accounting profession and wants to learn by digging in. You will work both independently and be supported with an amazing team. You must be incredibly organized and technologically savvy.

Additionally, you should be:

- A lifelong learner, you seek to better yourself both professionally, and personally.
- Intellectually curious, you are excited to learn tax laws across a range of size and industries.
- Not afraid to ask questions, you are driven to understand the 'why' and not just the 'how'.
- A natural problem solver and critical thinker, you enjoy 'the puzzle' and actively seek solutions when confronted with a challenge.

Just as important, you will need excellent communication and client management skills, impeccable attention to detail, extraordinary time management ability, a can-do attitude, and love helping businesses and your teammates succeed.

### What you will do:

To thrive in this position, you should be someone who embraces constant learning and daily challenges. Someone who looks beyond numbers and tax forms to understand the big picture and unique tax situation of each client. You will be exposed to many different types of clients, entities, forms, laws, tax savings strategies, and research – all in your first few months.

Above all, you must be passionate about client service! From day one, you will be given the opportunity to work directly with business owners! This is something you will not find at bigger accounting firms. And, the relationships you will develop are incredibly rewarding, both personally and professionally.

There are also frequent opportunities to be involved with tax planning, special projects, and IRS tax resolution.

### Our Environment and Culture:

Diverse learning and growth opportunities within a family-oriented and supportive culture, as well as:

- Competitive compensation with medical, 401(k) and other benefits
- Progressive technologies that help you work smarter, not harder
- Flexible summer schedule - so you can spend more quality time with family and friends
- Less working hours required, as compared to the Big 4
- Team events/outings, wellness challenges and friendly office competitions
